

# Socialisatiekaart van .....

Gebruik deze socialisatiekaart als beginpunt voor de socialisatie van uw puppy. Probeer uw pup aan zoveel mogelijk van de onderstaande situaties bloot te stellen. Socialiseer vooral goed op die situaties waar uw hond op latere leeftijd ook mee te maken krijgt. Ervaringen en situaties dienen tot de leeftijd van 6 maanden voortdurend herhaald te worden. In onderstaand schema kunt u per periode aangeven waarop u uw puppy heeft gesocialiseerd. Heel veel succes!
